Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The roof is approximately 12,000 square feet. It needs to be pressure washed and all debris removed. Make all needed repairs to flashing and parapet. Put down sealer and two coats of roof coating. Paint parapet. The cost of the projece should be around \$12,000 to \$15,000.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
Amount of Local funds planned for this project	\$0.00

Please outline any associated insurance coverage.

The needed repairs to the roof is due to age. The age of the existing roof is 22 to 25 years.
